

ARTWORK REQUIREMENTS

- Files can be e-mailed to artwork@bloss.com
- We can accept the following artwork formats:

Vector

Corel DRAW (*.CDR)
Adobe Illustrator (*.AI)
Encapsulated Postscript (*.EPS)
Portable Document File (*.PDF)
AutoCAD File (*.DXF)
AutoCAD Drawing (*.DWG)
HPGL Plotter File (*.PLT)

Raster

Corel PhotoPaint (*.CPT)
TIFF format (*.TIF)
JPEG format (*.JPG)
Bitmap (*.BMP)
Compuserve Bitmap (*.GIF)
Adobe Photoshop (*.PSD)

- Scanned images should be saved as Tiff files for the best results. Please be advised that certain processes such as laser marking or mechanical engraving require vector based files. **Providing files in a raster format may require additional charges for conversion.**
- All fonts should be converted to curves or outlines to avoid font substitution problems. Specific fonts should be indicated and preferably provided.
- Please provide a hard copy of the file with written instructions of size and placement. This will help to avoid potential font substitution or import errors. If there is color, please indicate separations if the art is to be screen printed.
- If you wish to provide film for screen printing or padprinting, we need it to be film positive, emulsion down.
- If you have questions regarding artwork, please call our art department. We will be happy to assist you.
